POWER UP PACT

**LET'S MAKE A PACT ON HOW WE
PLAY VIDEO GAMES AT HOME**

PLAY TIME

Amount of time spent per day playing video games.

SPENDING

Amount of pocket money spent per week on video games.

AGE APPROPRIATE

We can play games with these PEGI ratings:

ONLINE CHAT

The people we are going to play with online:
(Can be one or both).

real-world friends others online

The chat functions we can use:
(Can be one or both).

text chat voice chat

Here's how we will interact with others online:
(Consider where in the house, how we treat others, times at which it is appropriate to chat online).
